Dear Mr. Dagan,

The purpose of this correspondence is to thank you for your time and patience with our equipment approval process. The NFHS Wrestling Rules committee determined that your product, the Gamebreaker PRO Model is compliant with our current NFHS Wrestling rule (4-1-4) for ear guards with one stipulation that the material that covers the nodules/padding on your ear guards remain smooth, non-abrasive and no threat to an opponent if it comes into contact with him or her during competition. If you can secure any legitimate testing or research from students wearing your product, we would appreciate copies of such studies for our historical files. Please note that this correspondence is not an endorsement of any kind for the Gamebreaker PRO Model. Thank you again and I wish you continued success. If you have any questions, please do not hesitate in contacting me.
